Other items not collected may include; remodeling or demolition debris such as broken concrete, bricks, lumber, sheetrock, shingles or junk cars, or any hazardous waste such as tires, batteries, paints, refrigerators or any items with Freon™, etc.. Any items containing Freon™ must have the Freon™ properly captured by a certified technician. Only with the proper tag identifying that the Freon™ has been removed, will the items be accepted.

Polycarts, wagons, wheelbarrows, etc., are not to be used as containers for cleanup items.

The Transfer Station, 3901 S. Chautauqua, will be open from 7:30 a.m. - 4 p.m. and is free on these Saturdays for any Norman sanitation customer, so you may haul your own if you wish. Proof of residency (i.e. current City of Norman utility bill, driver's license with Norman address) is required

Commercial Construction Debris is not considered part of the Fall Cleanup and will be accepted at the Transfer Station at the normal gate rate.
